

The background of the poster is a dark, atmospheric illustration. At the top, a large, bright orange and red sun or moon hangs in a dark sky with a few small birds. In the center-left, there is a silhouette of a large, multi-story house with several windows that are glowing with a warm orange light. Bare, gnarled trees are scattered around the house and in the foreground. On the right side, a zombie character is depicted from the chest up, looking towards the viewer with a menacing expression, showing sharp teeth and having several bite marks on its face and arm. The overall color palette is dominated by dark tones, with the bright orange/red of the sun/moon and the glowing windows providing the main sources of light and color.
